

Current & Future Park Service Areas

Green Space, Parks, & Stormwater

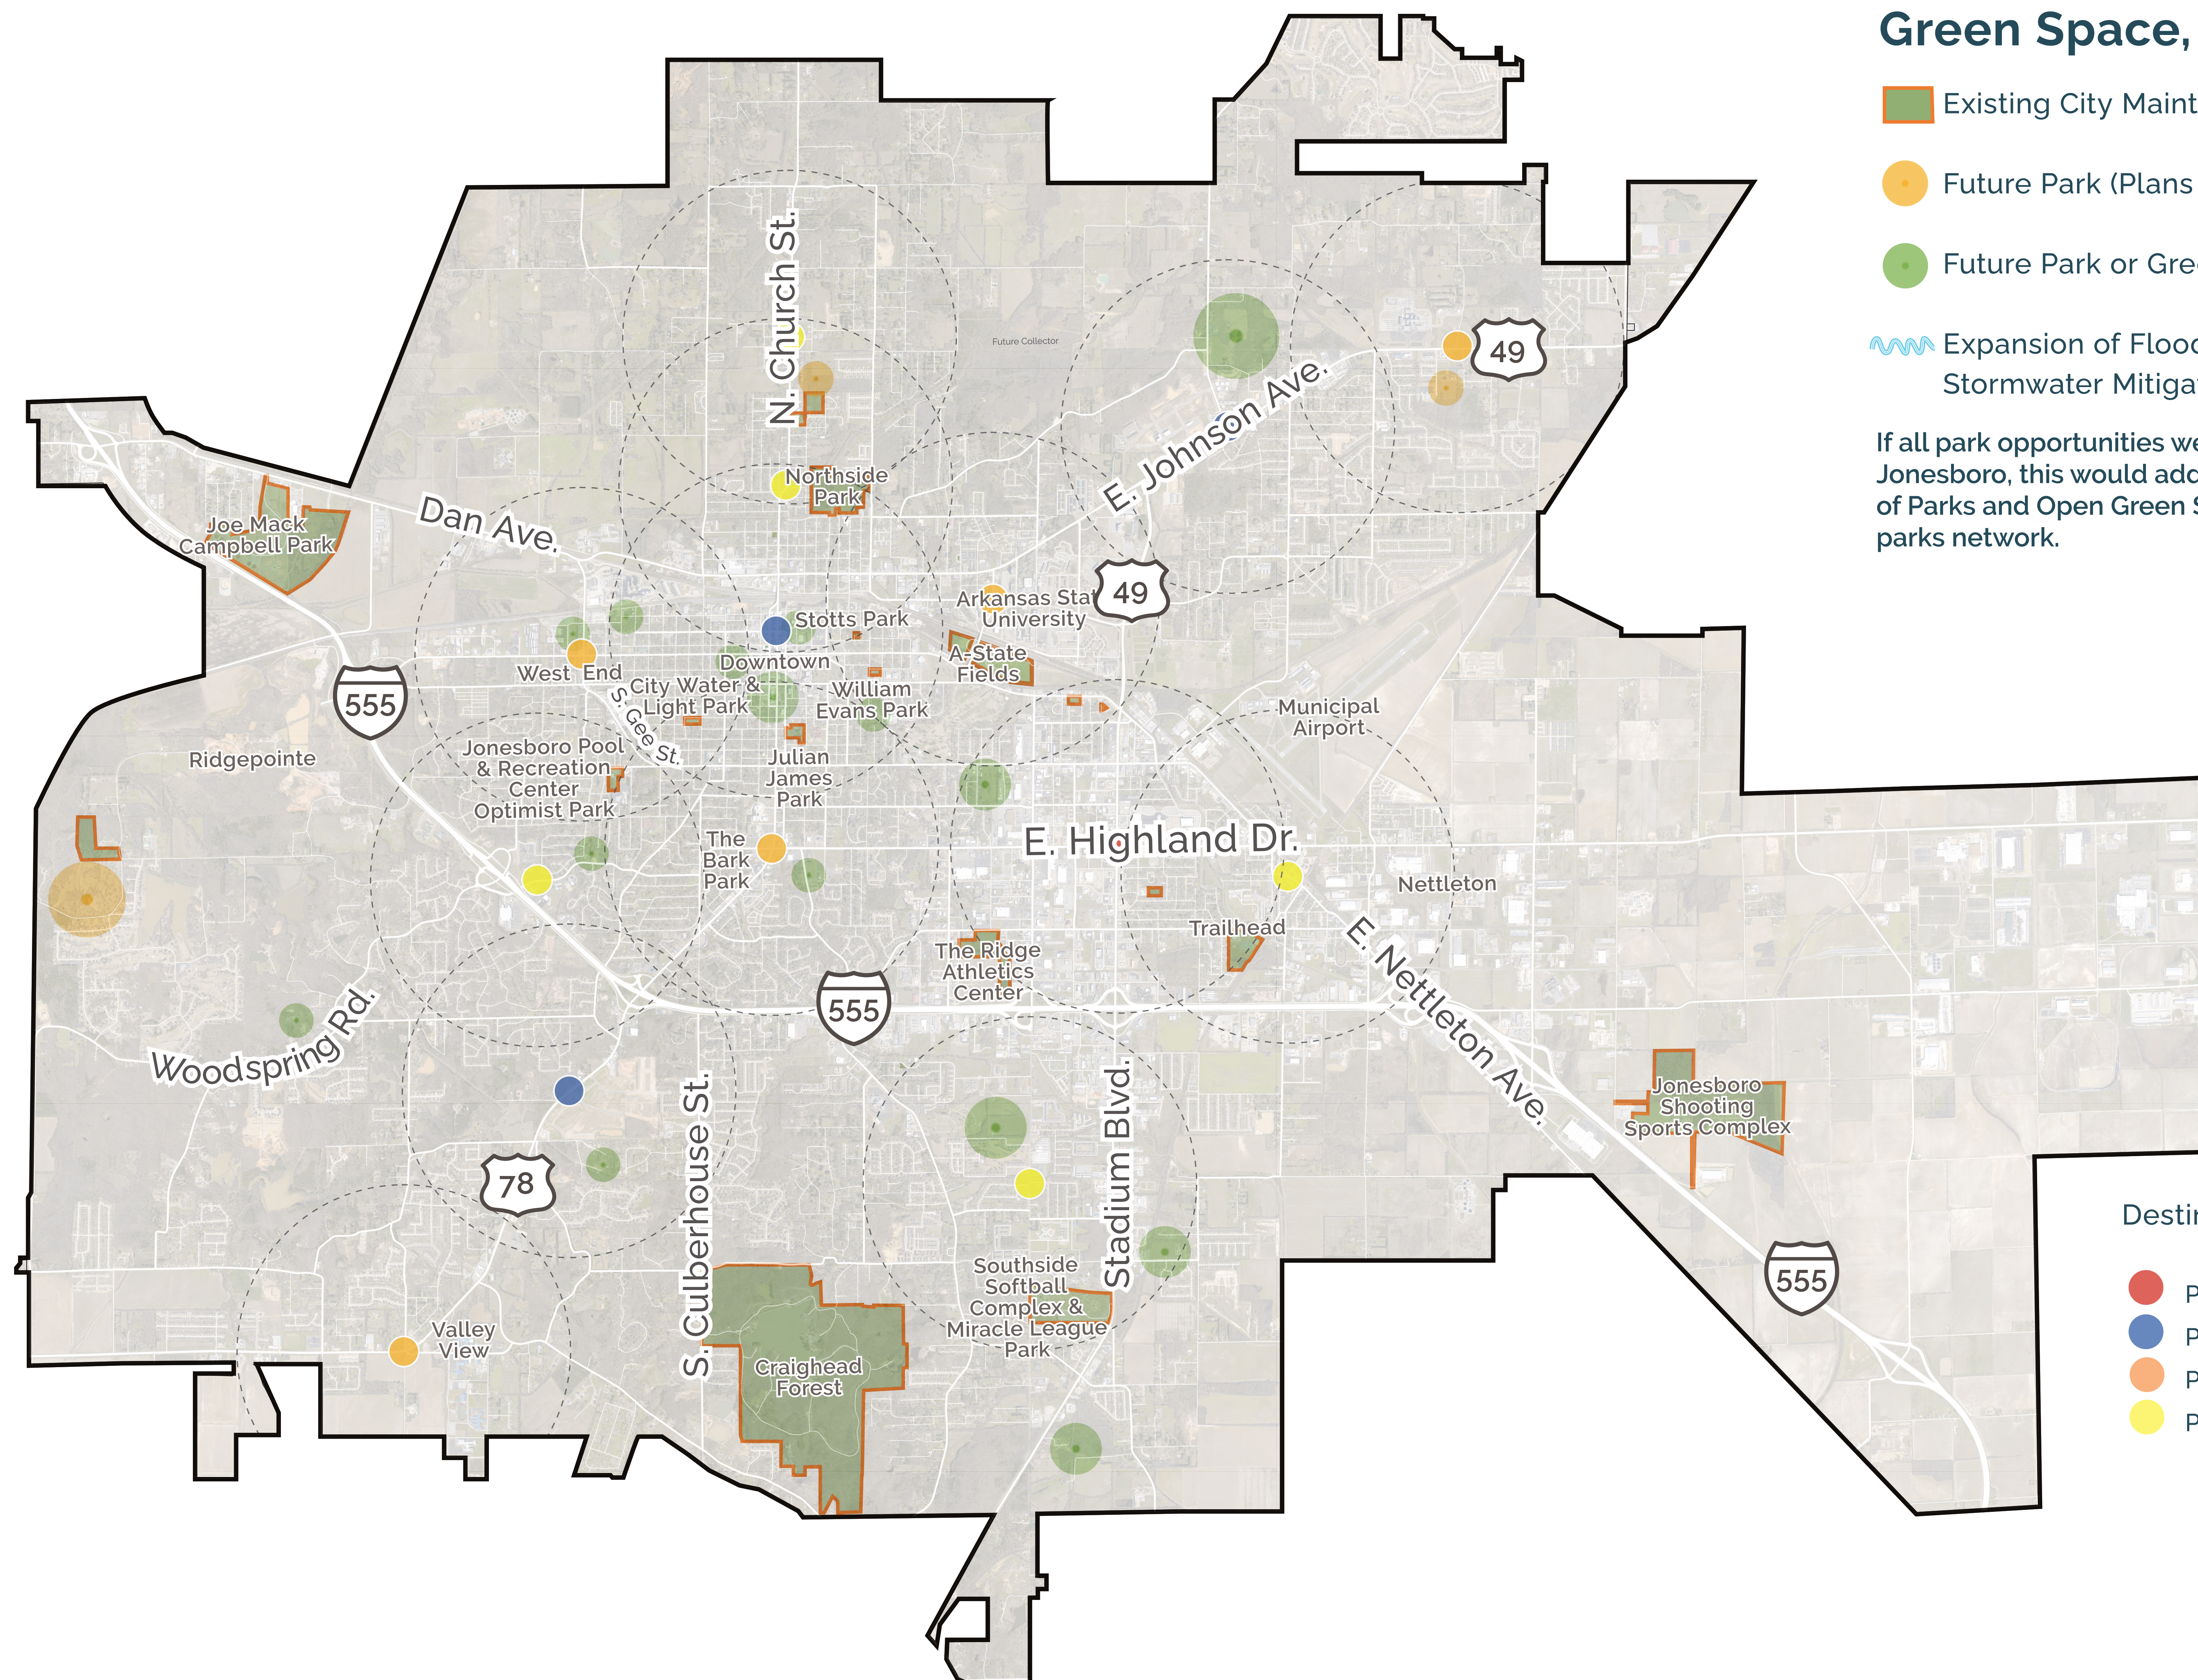

- Existing City Maintained Park Site
- Future Park (Plans in Progress)
- Future Park or Green Space Opportunity
- Existing Park Service Area (10-minute walk)
- Future Park Service Area (10-minute walk)

If all park opportunities were executed by the City of Jonesboro, this would add an estimated 157 Acres of Parks and Open Green Space to the existing parks network.

Destinations

- Planned Regional Center
- Planned Community Center
- Planned Neighborhood Center
- Planned Neighborhood Node

Park & Stormwater Opportunities

Green Space, Parks, & Stormwater

- Existing City Maintained Park Site
- Future Park (Plans in Progress)
- Future Park or Green Space Opportunity
- ~ Expansion of Floodway Channels to help with Stormwater Mitigation

If all park opportunities were executed by the City of Jonesboro, this would add an estimated 157 Acres of Parks and Open Green Space to the existing parks network.

Destinations

- Planned Regional Center
- Planned Community Center
- Planned Neighborhood Center
- Planned Neighborhood Node
